WEIZHEN WANG

School of Automation and Intelligent Sensing, Shanghai Jiao Tong University
Tel +8619821665689 Email: wangwz.im@gmail.com

EDUCATION

Shanghai Jiao Tong University *Sept. 2023 - Present*
Ph.D. student in Automation Advisor: Prof. Xiaoming Duan

Zhejiang University *Aug. 2019 - Jun. 2023*
B.E. in Marine Engineer and Technology Rank: 1/82

RESEARCH INTERESTS

Markov chains, Markov decision processes, motion planning.

AWARDS AND HONORS

- National Scholarships, Ph.D. Student, (top 0.2%), SJTU, 2025
- Provincial Outstanding Graduate Student, ZJU, 2023
- National Scholarships, Undergraduate Student, (top 0.2%), ZJU, 2020, 2021,2022
- First Prize in National College Student Mathematics Competition (Non-Mathematics Major Category), ZJU, 2020
- Second Prize in Zhejiang Province College Student Physics Innovation Competition, ZJU, 2020

PUBLICATIONS

Journal Articles

Conference Articles

[1] W. Wang and X. Duan. Joint Optimization of Defense Allocations and Surveillance Strategies against Random Intruders. Accepted by IFAC—PapersOnLine.

TEACHING EXPERIENCE

Teaching Assistant SJTU

AU7036: Introduction to Multi-agent Systems Spring 2025

AU4606: Network Optimization Fall 2023, 2024, 2025, 2026

PROFESSIONAL ACTIVITIES

Presentations

- Oral Presentation at the IFAC August, 2026
  "Joint Optimization of Defense Allocations and Surveillance Strategies against Random Intruders"
  Shanghai, Korean
- Oral Presentation at Chinese Conference on Swarm Intelligence and Cooperative Control November, 2025
  "Multi-Robot Stochastic Patrolling via Graph Partitioning" Shanghai, China
- Oral Presentation at the IEEE American Control Conference July, 2025
  "On the Trade-Off Between Efficiency and Unpredictability in Stochastic Robotic Surveillance."
  Denver, America
- Oral Presentation at Peking University October, 2024
  "Multi-Robot Stochastic Patrolling via Graph Partitioning" Beijing, China

Peer Reviewer

- IEEE Transactions on Control of Network Systems
- IEEE Network Magazine
- ACM Symposium On Applied Computing
- IEEE Control Systems Letters
- IEEE Conference on Decision and Contol
